

**NEW**

# May

**25% off!**

Is the Month of Dye Concentrates!

- Universal Colorants that can be used to tint Water Based or Alcohol/Acetone Based Products!
- They can be used as a "Shader" or a toner by adding directly to water-based and most solvent based finish for a customized finish.
- Strong colorants! **2 ounces** of colorant is equivalent to **2 quarts** of dye stain!
- Use the Dye Concentrates to formulate any of our Penetrating Stains and More!
- \*Concentrates and Penetrating Stains are only **25% off** only when purchasing any *Mohawk PFS Coating*. Let us show you how to use this product!

**Custom  
Matching  
(By Dillon)  
Available!**
