Let us professionally train you and your personnel using the most up to date touch-up and repair techniques for wood offered in the industry. Our experienced instructors will work with each student to ensure that upon completion of the one day workshop they will have achieved the repair techniques needed to enhance your business. The professional Mohawk instructors will demonstrate solutions to the most common wood touch-up and repair issues, such as:

- ✓ Damage Analysis
- ✓ Replacing Color
- ✓ Filling of Damages
- ✓ Grain Replacement
- ✓ Spot Finish Application
- ✓ Sheen Adjustment
- ✓ Scratch Removal
- ✓ Finish Care

Through our curriculum you will learn:

- Repair of gouges, deep scratches, burn marks, broken corners and edges
- Proper use of wax filler sticks, epoxy fillers and adhesives
- Color matching principles - Primary and secondary colors, effects of white and black colors and color intensity levels
- Valuable repair application techniques: touch-up using aerosols, using markers and other proven methods

Students will take home a Wood Student Kit* with a professional carrying case worth approximately \$800!

**Kits cannot be taken on planes. Kit & case including shipping box - weight: 64 lb. (24"W X 19 1/2" L x 29 1/2"H)*
